## Great All-Star Cast

Headed by Jane Miller, in "From the Valley of the Missing."

The all-star cast headed by Jane Miller, daughter of the State Treasurer of Missouri and formerly leading woman with the mammoth production of "Life" at the Manhattan Opera House, New York City, is seen in "From the Valley of the Missing" a picture version of Grace Miller White's world-famous novel. It calls for artists of unusual ability. Ordinary "motion-picture" actors would have been utterly unable to cope with "From the Valley of the Missing." People of exceptional ability therefore had to be engaged, for the picture deals with almost every conceivable type from rough men and women from the river barges to the governor of the state and the most fashionable society of New York and Washington.

Jane Miller plays Ann Shellington with great charm and distinction and all the great ability she displayed in "Life" a performance which was acclaimed by the press of the metropolis. Arleen Hackett contributes a wonderfully powerful character study as "Scraggy" the unfortunate woman of the river, the poor forlorn creature whose life is one long tragedy. Miss Hackett starred in "Today" and other big productions and is an actress of an ability which David Belasco, in several of whose greatest productions she has appeared, declares is distinctly out of the ordinary. "Scraggy" is a very important part in the drama and Miss Hackett rises fully to the requirements of the role. The Tobin Twins, Genevieve and George, the cleverest juvenile actors in the country, are cast for Flea and Flunkie the two twins; about whose identity much of the interest of the play centers.

Clifford Bruce, well known for his work in the Fox productions of "A Fool There Was" and "The Children of the Ghetto" enacts the character of Lloyd Vandecar, the father of the children; he is ably seconded by Katherine Calhoun as the governor's wife. Lon Cronk, a squatter, falls to the capable Bailey as Everett Brimbecomb and Gladys Peck as his wife and Robert Cummings as Lem Crabbe also do splendid and effective work.

## FACT

Utah County Evidence.

Evidence that can be verified.

Fact is what we want

Opinion is not enough.

Opinions differ.

Here's a Utah County fact.

You can test it.

W. W. Robinson, First East and Second North Sts., American Fork, says: "For months I suffered from constant pain through the small of my back. The least move that brought any strain on my back, made the pain more severe. A druggist recommended Doan's Kidney Pills and I got a box. By the time I had used them I noticed quite an improvement. After I had taken the second box, I was cured." (Statement given August 22, 1907.)

OVER FIVE YEARS LATER Mr. Robinson said: "I still use Doan's Kidney Pills with the same good results as I first received from their use."

Price 50c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Robinson had. Foster-Milburn Co., Props., Buffalo, N. Y.
